THE THEATERS

The most wonderful musical act that has ever been heard in the city of Clarksburg was played at the Odeon last night by the Marconi Brothers, "the wizards of the accordion." They held the audience spell-bound for the entire twelve minutes they were in front of the footlights. Their playing of the different selections brought tremendous applause from the entire audience, especially that most beautiful of all selections, "My Rosary." The Marconi brothers will close their engagement at the Odeon theater Saturday night, and all who desire to hear one of the best musical acts ever played in Clarksburg should not miss this opportunity of hearing these wonderful musicians.

Brandon and Taylor are putting over stunts which are very much out of the ordinary. With its special

electrical features and unusually captivating costuming, the act went with a vim and dash last night which carried the audience off its feet. It is by far the most popular act the house has shown for some time. The jokes are new, that is the best of it. Also some very fine yodeling is in the act.

Last but not least the pictures which will be shown today are the finest to be seen in the city. This being Friday, the house will show its usual big feature entitled "A Hero Among Men," a beautiful two reel drama, and a big Vitagraph comedy. Monday the management of the Odeon will offer Parker and Martin in their latest success, "The Cabaret Girls." The company is composed of five girls and three men and it is the best show to be seen in the Odeon for some time.

The repertoire of the Billy Allen Musical Comedy Company, which opens a week's engagement at the Robinson Grand Monday night, has

music lovers who prefer to hear only the older operas that have grown familiar, there are others who enjoy the newer works of the modern

SCENE OF "THE THREE TWINS"

increased its attractiveness this season by the addition of several modern novelties. While there are many

masters, and Messrs. Billy Allen and William H. Harder are the first in line to offer the sensational musical comedy successes at popular prices. They present this season for their many friends and theater goers in this city a sumptuous production of "Three Twins," with its many tuneful songs, like "The Royal Chef," which was made so popular by David Lewis, the comedian. "Coming Thru the Big Rye," "Pinafore," "The Green Bird" and others. A sixty foot carload of scenery, electrical effects and wardrobe is carried and used to produce the many stage pictures that this wonderful repertoire contains.

Obstinate Acne Quickly Yields

Fine Remedy that Clears Skin of Pimples on Cheeks, Temples, Sides of Nose and Chin.

Acne attacks the glandular structure of the skin, more particularly those tiny glands that secrete fat. And it is here that S. S. S., the famous blood purifier is most active in its influence.
There is one ingredient in S. S. S., the purpose of which it is to stimulate the cells in the tissues that they select from the blood the nutriment that makes new skin and thus eliminates all irritants, acids and parasites that inflame the glands. There is a natural tendency of the fine network of blood vessels in the skin to throw off impurities, but where a persistent inflammation process has invaded the skin, the natural repair work of the blood is interfered with. It requires the stimulating activity of S. S. S. to overcome such morbid conditions. If you have been troubled with acne, do not despair of a cure.
You can get S. S. S. in any drug store, but insist upon having it. Take no chance with a substitute. And if your blood condition is such that you would like to consult a specialist freely, address the Medical Dept., The Swift Specific Company, 181 Swift Bldg., Atlanta, Ga.

The Winnipeg, Manitoba, Press recently said of the comedy drama, "The Havoc," which will be presented Saturday night at the Robinson Grand by a company of Paul Gilmore's associates:

"Paul Gilmore's players' appearance last night was greeted before a packed house, and with a clear decisive plot and magnificent acting one of the really nice evenings which cultured people love, was enjoyed. It was a fine play, with a well defined motive and never was dull for a minute."

"It deals with a situation all too common in this twentieth century and one that allowed to thrive unchecked, must inevitably sink the morality of nations to the lowest depths."

"Ben Hur" will begin its fifteenth tour the last of September and the company will include many of the favorites of last season. Once more Thomas Holding will enact Ben Hur Mr. Holding arrives from England the first of September. The tour of "Ben Hur" will include many of the larger cities of the South and Middle West.

Al. H. Wilson has quite outdone himself by writing the most catchy tunes he has ever composed, for use in his new play, "A Rolling Stone" which his new managers, the Louis B. Mayer Company and Ben Stern have had written for him by Herbert Hall Winslow who will be remembered as the author of Ezra Kendall's great success, "The Vinegar Buyer." The production is being staged by Robert Milton who has selected an excellent company to support Mr. Wilson and altogether the coming tour of the comedian promises to be the most auspicious in his career.

WRITE TO THE SECRETARY.

Those desiring concessions and exhibition spaces at the Central West Virginia Fair to be held on the beautiful new fair grounds at Clarksburg September 1, 2, 3 and 4, should communicate at once with the secretary, James N. Hess, Empire building, Clarksburg.

What's she demonstrating? Well, for one thing, she's demonstrating her good sense. She's using SPARTANA—formerly called Spartan Stain.

She's having a good time, and she's doing a job that she'll point to with pride when her so-called "better half" gets home.

Spartana is a practical varnish stain for popular use. Its uses are many and varied. Retouching the furniture, staining the woodwork of a room to match the furniture, finishing floors or linoleum, beautifying and renewing old picture frames, room mouldings, porch rockers, settees, and numberless other things that need renewing.

It is made in all shades and may be had to match any color.

Spartana is made of the very best materials. It brushes out easily and evenly and gives a clear brilliant effect.

No similar product on the market can compare with it for durability.
